Day 1 - 3: Arrival; Maun International Airport, transfer to Moremi Game Reserve

Welcome to Botswana! Upon your arrival at the Maun International Airport, you will embark on a local caravan flight transfer to Moremi which is your first destination for about 40mins flight. You will be welcomed by our professional tour guide, standing outside the arrival section holding a signboard you're your name on it with Patmobile Safaris logo.

You should arrive at camp around sunset, after a quick familiarisation yourself with the area for an afternoon game drive. Just in time for your first bucket shower, a unique way of showering that you can experience at any time over the next 10 days, and that will be one of the memorable experience of your trip. We will meet around the camp fire for a snack and refreshments. It is in our colourful lentil lamp lit mess tent or under the starlit sky that you will enjoy your first 3 course meal that has been prepared over the fire by our incredible Chef.

Possible sightings: (Lechwe, Lion, Leopard. Large herds of Impala, Zebra and Buffalo normally flock to the beautiful floodplains to drink water).

Day 4 - 6: In Khwai River

Early morning after breakfast, we head to Khwai with our equipped safari 4x4 vehicle, leaving our safari crew to move our camp to a new different destination, with the same setup for camp. We will have a re-route stop for a picnic before continuing via Park to reach later in the afternoon at the designated campsite just inside the park boundaries. Have a unique close encounter with wildlife during game viewing in Khwai Impenetrable River.

The Khwai River of Moremi is one of the best places to visit for Wildlife in Botswana, and one of the few places where we can conduct night drives, and Bush Walks and experience a dug-out canoe. After dinner we will have time to share stories around the camp fire before retiring to bed where you will fall asleep to the many interesting sounds that the bush has to offer.

Possible sightings: (Sightings are good year round, with lion, leopard and wild dog seen occasionally, as well as elephant and many other species).

Day 7 - 9: To Savute

We will leave early in the morning after breakfast we will cross to Savute in Chobe Region and go on an en-route game drive from morning to noon tarred road transfer, seeing several wild animals. While our outstanding camp crew put down the camp to prepare for the next camping destination. If there is a place with a more dramatic story, it is Savute. The Savute River has become world renowned for its mysterious disappearances that stretch over decades and sometimes to a Century. Whatever turn the Savute River takes, the dramatic

change in Savute, is like night and day. No matter the scenario, the Savute region will thrill lovers of wildlife, birds and the African safari experience.

Possible sightings: *(The annual Zebra migration is closely followed by many Lion prides. Good sightings of Cheetah and Leopard are possible and the endangered Wild Dog also occurs here. Savute is famous for its large concentrations of Elephants that congregate around the waterholes, making game-viewing exceptional).*
